Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How would you like to learn two astonishing techniques so you can literally hypnotize people so easily that it will blow your mind? I m very serious! I used to be an advertising executive for a yellow pages company. I sold ads for a living; intangibles. I learned how to make a lot of money by making a lot of sales. I also learned how to make a lot of money from each sale I made. One of my secrets for being able to sell so talentedly was using in particular, two hypnotic language patterns. Both utilized ambiguity and I used them in nearly every sales call to hypnotize my potential customers into buying my product (yellow page adverts). I have since utilized these same two ambiguity patterns to hypnotically persuade and hypnotize therapy clients, random strangers, and even people close to me. The patterns are great because they are easy to learn and apply in every conversation to make it a hypnotic experience for the listener. I m going to teach you these two patterns in this book. More than that though, I am going to provide you with some powerful advice for mastering hypnotic ambiguity so you can apply it hypnotically in your conversational hypnosis interactions.
