FM 9e builds the presentation around the "10 Principles of Finance" (formerly axioms) as an insightful framework for showing "the big picture" of finance. This text provides a solid, enduring foundation of the tools of modern theory while at the same time developing the logic behind their use. The entire package constitutes a strong basis on which to build future studies and, for those students who are non-finance majors, a lasting understanding in the fundamentals of finance. 761 pp. Englisch.
