

Corridors of the Night: A William Monk Novel (Paperback)

Filesize: 7.83 MB

Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

CORRIDORS OF THE NIGHT: A WILLIAM MONK NOVEL (PAPERBACK)

Ballantine Books, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Anne Perry, that incomparable novelist of life in Victorian England, has once again surpassed herself, with this twenty-first installment of her New York Times bestselling William Monk series. In *Corridors of the Night*, nurse Hester Monk and her husband, William, commander of the Thames River Police, do desperate battle with two obsessed scientists who in the name of healing have turned to homicide. The monomaniacal Rand brothers--Magnus, a cunning doctor, and Hamilton, a genius chemist--are ruthless in their pursuit of a cure for what was then known as the fatal white-blood disease. In London's Royal Naval Hospital annex, Hester is tending one of the brothers' dying patients--wealthy Bryson Radnor--when she stumbles upon three weak, terrified young children, and learns to her horror that they've been secretly purchased and imprisoned by the Rands for experimental purposes. But the Rand brothers are too close to a miracle cure to allow their experiments to be exposed. Before Hester can reveal the truth, she too becomes a prisoner. As Monk and his faithful friends--distinguished lawyer Oliver Rathbone and reformed brothel keeper Squeaky Robinson among them--scour London's grimy streets and the beautiful English countryside searching for her, Hester's time, as well as the children's, is quickly draining away. Taut with intrigue and laced with white-knuckled terror, *Corridors of the Night* is Anne Perry at her magnificent, unforgettable best. Praise for *Corridors of the Night* [A] suspenseful, twisting narrative. -- *Historical Novels Review* Anne Perry has once again evocatively and meticulously conjured up Victorian London. . . . This is one of her best as she continues probing . . . the dark impulses that haunt all human souls. -- *Providence Journal* Pulls no punches and depicts Victorian London in...
