

Beauty, Sex and Power: A Story of Debauchery and Decadent Art at the Late Stuart Court (1660-1714) (Paperback)

Filesize: 3.65 MB

Reviews

If you need to adding benefit, a must buy book. It is really simplified but excitement from the 50 percent of your book. I discovered this book from my dad and i recommended this book to understand.

(Dorothy Sawayn)

BEAUTY, SEX AND POWER: A STORY OF DEBAUCHERY AND DECADENT ART AT THE LATE STUART COURT (1660-1714) (PAPERBACK)

Scala Publishers Ltd, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. Charles II s reign was a period of revolutionary experimentation: in science, art and sexual etiquette. For the first time in British history, Royal mistresses - such as Nell Gwyn - played an active, public role in court life. Women sensed new possibilities and freedoms, appearing on stage, managing their own financial, matrimonial - and extra-marital - affairs. Encouraged by a licentious King, being beautiful could get you what you wanted. But if beauty was admired and revered, praised by poets and idealised by artists, it was also distrusted and feared, pursued and possessed. Beautiful women were chased and abused, pilloried as whores. This equivocal nature of beauty explains the lives of some of the most charismatic and controversial men and women in British history - those Restoration mistresses and degenerate libertines who lived, loved and died amidst the bespangled luxury of the late Stuart Court. This beautiful book, published to accompany an exhibition at Hampton Court Palace, traces the rise and fall of the beautiful revolution from the Restoration of Charles II to the death of Queen Anne in 1714. It is also a book about beauty itself: its ambiguity, its authority and its transience. This is a timeless tale about our continuing obsession with beauty, celebrity, power and love.
