More recently it has become development environment, complete with scripting capabilities and server-side connectivity. Flash has the ability to easily integrate with, and add interactivity to, complex media types with powerful and intuitive tools. Developers can rapidly develop high performance, accessible content using pre-assembled building blocks and expand their authoring capabilities with custom extensions from independent developers. Macromedia Flash MX Unleashed covers these high-end topics, providing you with a solid and complete reference for building Flash websites and applications. 840 pp. Englisch.
