Print on Demand *****. Freedom is a flame. It cannot be confined to the realm of politics, religion or philosophy. It encompasses all. Burning within the hearts of men and nations can be found the unquenchable fires of freedom. Throughout the centuries seekers have discovered the way of freedom, the freedom of which Jesus spoke when he said, Ye shall know the truth, and the truth shall make you free. How can we achieve this freedom? There are teachers-the ascended masters. Buddha, Maitreya, Confucius, Saint Germain, Jesus and Saint Francis are but a few of the saints and sages who have risen to attain liberation and union with God. They continue to work with earnest seekers who have made the greater way of freedom their goal. If you will receive them, the masters offer guidance and instruction. Having reached the summit to which we now climb, they are releasing teachings that lead to self-mastery and the freedom of the soul in God.
