This book may be worth purchasing. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

ASSASSINS CANON: AN ANTHOLOGY OF SHORT FICTION BY UP AND COMING AUTHORS (PAPERBACK)

Utility Fog Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Few images evoke a more powerful or frightening reaction than that of the assassin. Silently creeping into your room while you sleep, they plunge a pick deep inside your brain, or fill your snoring nostrils with poisonous vapour. Or perhaps skilled fingers from the shadows strike a vital point during mid-step; the coroners say it was a heart attack. Assassins are people to be feared, no doubt. But what do they fear? What do they dream of? What life, what world, are they longing to achieve with their actions? Is the killing just a job or is there some deeper motivation that drives them? And what happens when it all goes wrong? In Assassins Canon a full gamut of would-be killers is explored: gangsters, henchmen, soldiers, newly-weds, the reluctant, the willing, the skilled, and the novice. And, for better or worse, all must bear the consequences of their choices.
