WORK AND PLAY FOR LITTLE GIRLS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Work and Play for Little Girls In daring to send this little unassuming book out into the world I am confident that it will make its way into the hearts of children, and prove a joy to them, for a well-known saying of Emerson reads: The Secret of Happiness is: Joy in the work of our Hands, and this is what this little book aims to teach. It is addressed to all children, boys as well as girls, for they will find pleasure in the things this little book will teach them to make with their own hands. During the long winter evenings especially my little friends are thinking of Christmas. Wishes are jotted down, presents made, and the talk constantly runs on about Christmas and the tree; and the ornaments for the tree will delight them all the more if they have fashioned them with their own clever little fingers. Here is an opportunity to allow the imagination full reign, and there is really not much instruction necessary. At the same time, it is here that this little book will prove a very welcome aid to many. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
