Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Are you preparing for an upcoming trip to Italy? Learning Italian for your trip has never been so easy. Italian: Italian for Tourists is the essential short hand book you will need if you are new to Italian and want to get a basic understanding of the Italian language and culture. Whether you start preparing weeks in advance or are brushing up on vocabulary on the plane ride to Italy, this book will be useful for everyday phrases and common grammar mistakes to look out for. Italian is a beautiful language to speak and is relatively easy to learn. Even though it may not be the most obvious language to learn, it is often a top choice out of love and passion for the language. If you are not already convinced, here are a few more reasons why you should learn Italian: Arts From music and art to architecture and fashion, Italy has it all. When you visit world-class museums to local churches, you will want to be able to communicate with locals to truly understand the intricacies of this wonderful country. Business Italy is in one of the world s top ten economies. Especially if you are interested in architecture, construction, design, fashion, or furniture, you will want to know some Italian. Italian businessmen are renowned for their top-quality products, and you will want to impress the Italian businessmen by directly talking with them. Gastronomy From pasta to gelato, pizza to wine, you will find yourself stuffing your face with the delights of local foods. Knowing the language will only help you truly experience the whole process of the Italian cooking and preparation of foods. Travel The best experiences you may...
