Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Sun, The Glass, and The Leaning Rock; the secret of the Lost Dutchman s gold. (Volume 1 in the Florea/Holland Mystery Series, also published as A Second Chance). This is indeed a daring tale of high adventure, of friendships, of romance, of loyalties and betrayals, and of great personal danger in the lives of ordinary people. This tale combines a tricolor of excitement, yielding the grand adventure of Raiders of the Lost Ark , the enchantment and humor of Romancing the Stone , and the suspenseful who-done-it of Sherlock Holmes--hang on tight! The story opens in the year 1984, but centers on the 1924 discovery of the Lost Dutchman s Mine in Arizona, the inevitable misfortune of it s discoverer, and the strange fate of the loot itself. A treasure map, an unusual necklace, and a simple nursery rhyme set the stage for double murder, betrayal, kidnapping, and unrelenting drama in this tale of the high desert. An unemployed ex-cop and his two friends become entwined in this adventure-mystery, which takes the reader from Boston to Arizona, from Ohio to California, and finally into the harsh, Nevada desert, where the good guys meet the bad guys in a final, head-on confrontation. Both want to unlock the treasure s secret-- the sun, the glass, and the leaning rock, tell you when it s four o clock. If you re ready to jump out of an airplane on a foggy night, hopefully land unscathed in rugged terrain, repel from a high cliff on a short rope, take an eerie night stroll across miles of barren desert, find your way through an unyielding sandstorm, escape a deadly confrontation with rattlesnakes, pass through the turbulent...
