

Community as Healing: Pragmatist Ethics in Medical Encounters (Paperback)

By Micah D. Hester

ROWMAN LITTLEFIELD, United States, 2001. Paperback.
Condition: New. New. Language: English . Brand New Book.
Starting from the insights of classical American pragmatism, this book argues for a higher notion of the relationship between individuals and their communities. This newly enriched notion supports a more participatory engagement between physicians and patients which takes ethical medicine to be a community of healing enjoyed by health care professionals and those they care for.
