

In a Grove (Paperback)

By Ryunosuke Akutagawa

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In a Grove is an early modernist short story consisting of seven varying accounts of the murder of a samurai, Kanazawa no Takehiro, whose corpse has been found in a bamboo forest near Kyoto. Each section simultaneously clarifies and obfuscates what the reader knows about the murder, eventually creating a complex and contradictory vision of events that brings into question humanity's ability or willingness to perceive and transmit objective truth. It is the basis for Kurosawa's Rashoumon.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
