PeopleI was swept away. . . . like the first time I read my aunts novel, Their Eyes Were Watching God. Lucy Ann HurstonA glorious and moving multi-generational, multicultural saga that begins in the 1940s and sweeps through the 1960s in Trinidad and the United StatesLauren Francis-Sharmas Til the Well Runs Dry opens in a seaside village in the north of Trinidad where young Marcia Garcia, a gifted and smart-mouthed 16-year-old seamstress, lives alone, raising two small boys and guarding a family secret. When she meets Farouk Karam, an ambitious young policeman (so taken with Marcia that he elicits the help of a tea-brewing obeah woman to guarantee her ardor), the risks and rewards in Marcias life amplify forever. On an island rich with laughter, Calypso, Carnival, cricket, beaches and salty air, sweet fruits and spicy stews, the novel follows Marcia and Farouk from their amusing and passionate courtship through personal and historical events that threaten Marcias secret, entangle the couple and their children in a scandal, and endanger the future for all of them. Til the Well Runs Dry tells the twinned stories of a spirited womans love for one man and her bottomless devotion to her children. For readers who cherish the previously untold stories of womens lives, here is a story of grit and imperfection and love that has not been told before. This item ships from multiple locations.
