Do you have grown children living in your house with you? Do you pay their cell phone, car payment, or credit card bills? Do they ignore your heavenly advice? If so, this book is for you. I decided to buck the trend of fatherhood and stop rescuing my grown children from their own stupidity. I gave them my time, my guidance, and my love. I gave them tangibles to live their lives by. I shared my perspective on life based on my deep belief in the almighty Lord, my unique understanding of parenting, and life-inspiring messages from my father. My book shares my unusual response to issues in my grown children life so, sit back, relax, and enjoy the funny ride down Parenting 101 Street. God Bless.
