Notion Press, Inc., 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Aayush, a fresh engineering graduate, realizes that idling, snoozing, internet addiction and motorcycle spins don't really qualify as skills to build a successful career. Goaded by parents, trounced by top-achieving buddies and encouraged by stray incidents, Aayush takes a plunge into the dog-eat-dog rat race called CAT - a nationwide, competitive test to make it to the top business schools. What follows is a simple, everyday motley of events as Aayush enrolls himself at a CAT coaching center, where he comes across interesting characters, including an eccentric tutor with a penchant for fancy dress and an exquisite temptress, Nakshatra. Set in the serene backdrop of Manipal, a student-dominated township in coastal Karnataka, CAT Race is a simple, short and comfortable tale that highlights the struggles and aspirations of every B-school aspirant, providing insightful yet light-hearted views on the many stages of successful enrollment to management institutes. CAT Race is reminiscent of the struggles that students across all streams of academics have inevitably undergone and is a tribute to the indecisions, unpreparedness, uncertainty, impudence and insouciance so characteristic of student life.
