THE LITTLE BOOK OF ZLATAN (HARDBACK)

HarperCollins Publishers, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. The Little Book of Zlatan is a celebration of one of the most charismatic, mercurial and talismanic footballers in the game, an individual so distinct, so talented and so perfect that he must refer to himself in the third person at all times. Throughout history, there have been many, many truly outstanding sportsmen and women. These are the individuals that have pushed the boundaries of their sport, set incredible new records or driven the human body to its physiological limits. Every day we celebrate the feats of the fastest, strongest and most brilliantly technical athletes on the planet. Zlatan is an icon not just because of his extraordinary records on the field, but because his personality has never had to take a back seat on the journey. Let s be honest, which other footballer would say - with an entirely straight face: One thing is for sure. A World Cup without Zlatan is...
