Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

DAW BOOKS, United States, 2009. Paperback. Condition: New. Original. Language: English . Brand New Book. Let the games begin! These thirteen original stories by veterans of the fantasy realms take role-playing games and universes to a whole new level. From a teenager who finds a better future in virtual reality; to a private investigator hired to find a dying man s grandson in the midst of a virtual reality theme park; from a person gifted with the power to pull things out of books into the real world; to a psychologist using fantasy role-playing to heal his patients; from a gaming convention where the real winners may not be who they seem to be; to a multi-layered role-playing game that leads participants from reality to reality and games within games-these imaginative and fascinating new tales will captivate both lovers of original fantasy and anyone who has ever fallen under the spell of role-playing games.
