PAIN, DECEPTION AND TEARS (PAPERBACK)

Xulon Press, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.THE LIFE As a child, it was my dream to become a writer. The journey that s being described is really about that I encountered. Most people like to put it in their subconscious mind and not confront these issues. No one can tell you nor describe what you neither been through, felt nor experienced better than you. If you can t do anything about it.move on, because weeping may endure for a night, but Joy cometh in the morning. WATCH OUT FOR BOOK II entitled Destined for Success. Painful experiences denote a negative commutation in which later can be used as an effective testimony to those that are going through the same or similar problems. Allowing your past to dictate your present and future can be very detrimental. In that, there isn t any forgiveness nor healing taking place. In other words, YOU ARE SICK ; you must forgive, forget and get over it. All of this is a process and it takes time. IT S TIME FOR A CHANGE AND A NEW BEGINNING!!! - From the Author -.
