COMPUTER AIDED DESIGN & DRAFTING OF SELF SUPPORTED MILD STEEL CHIMNEY

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Development of a Design Package for Steel Chimneys | Analysis and design of structures was done manually in earlier times, as no facilities were available for quick solution of lengthy problems. Invention of computers and specially computer languages has brought a large revolution not only in software field but also in its implementation for Civil Engineering applications. Based on the above idea, an attempt has been made to develop interactive software for...
